- GitHub
- Jira

CERTIFICATIONS
- Certified MERN Stack Developer – Rex Coders, Dec 2024
- Web Development Internship – JK Click Solution, Sep 2023
- Hardware & Software Repair - CAPE Intitute of Technology - Oct 2024

EDUCATION

CAPE Institute of Technology
Bachelor's Degree in Computer Science Engineering
2021 – 2025

Rex Coders Academy
MERN Stack Developer
Feb 2024 – Dec 2024

Languages
- English: Proficient
- Tamil: Native

PROJECTS

E-Commerce Platform:
Developed a full-featured e-commerce website with product listings, shopping cart, and payment integration. Focused on optimizing user experience and secure transactions.

IoT Bus Tracking System:
Created a real-time bus tracking application with IoT integration for monitoring bus locations, arrival times, and route efficiency. Enhanced functionality with live GPS updates and a user-friendly interface.

Medication Remainder Web Application:
Created a real-time bus tracking application with IoT integration for monitoring bus locations, arrival times, and route efficiency. Enhanced functionality with live GPS updates and a user-friendly interface.

EXPERIENCE

Web Developer Intern
RexKnar Creative Solutions | Jan 2025 - present

- Develops full-stack applications using the Full stack (PostgresSql, Express, React, Node.js) to deliver robust and scalable solutions. Builds efficient APIs, manages databases, and creates interactive, responsive front-end interfaces.
- Collaborates with cross-functional teams to ensure cohesive project development and successful deployment. Ensures performance optimization, security, and maintainability across all application layers.
